

JR. BISON

FOOTBALL & CHEER

Volunteer Deposit

The Jr. Bison family is made up of countless numbers of volunteers. You may be surprised at the ways you can help and how much fun you can have doing it. Each volunteer is necessary to make our program successful.

We offset the cost of football/cheer fees by raising money through our spirit-wear, concessions, and other fundraisers throughout the entire year in order to pay for equipment and everything else it takes to make the program run.

It takes hundreds of volunteered hours from our coaches, board members, and other volunteers to make a season successful. The board and coaches are not paid for their positions, it is all volunteer work.

Therefore, The Jr. Bison require a \$50 volunteer deposit check per *family*. Each family is required to volunteer approximately 4 hours of your time throughout the season. If the 4 hours have been completed the deposit check will be returned to you. If the hours have not been completed, the deposit check will be deposited. Both of these happening at the end of your child's season. Please remember that 4 hours is the amount of time needed to volunteer to have your check returned, not the only amount of time needed to be volunteered to make a successful season.

If you have any questions please see any board member. Thank you and we look forward to volunteering with you!
