

# BENSENVILLE WOOD DALE BANDITS

Monthly Newsletter  
APRIL 2017

## President's Report by Jason Sabala

Welcome to the start of the new season. We thank everyone for their commitment to the Bandits program whether they're board members or not. It takes quite of sacrifice but the children in our community are worth these sacrifices. Please feel free to join us at any of our board meetings. They are held at the Wood Dale Park District building on the first Tuesday of each month normally starting at 7 pm, but please check the website as times get adjusted as needed.

Don't forget our second registration is April 15th at the Wood Dale Park District. There is an early bird discount for those who choose to register that day. For more information check out our webpage at [www.bwfca.com](http://www.bwfca.com) or our Face book page at Bensenville Wood Dale Bandits.

I can be reached through the Bandit email address or if you prefer to contact me direct you can at [fbcoach1969@gmail.com](mailto:fbcoach1969@gmail.com)

Thank You

Jason Sabala, BWFA President

## Football News

It seems crazy that we are already thinking about football but with old man winter just about to exit and let Spring in we need to get things moving along we need to get started early. I will begin the process of the new season attacking several key areas. I will be doing a complete inventory soon and begin to throw out any damaged or non-repairable items. I will then meet with our Riddell rep to see what helmets and shoulder pads need to be replaced. This is the 2nd year of our helmet reconditioning so we are good with those. I will look at where we need to replace or add any equipment for the upcoming season. After that I will put together an aggressive budget so that the board can begin the process of tackling fundraising issues to cover all the costs associated to my budget. The football budget covers absolutely everything you can think of from insurance to the end of the year banquet. It is during this time I will explore ideas of improvements in our current equipment and/or jerseys, decals etc. Please feel free to contact me with any questions or concerns.

## Cheer News

From the Cheer Corner..... With Spring in the air and an extra hour of daylight, we are ready to start thinking about outside activities and sports. We are so excited to see all the new faces joining the Bandit's this season, we had a great first registration back in February and already started some great Tumbling Clinics with our coaches and cheerleaders which are very successful week after week. If you haven't come out yet to try and see what our coaches have our girls working on already, please join us.... we meet every Tuesday currently located at Fenton High School in, Gym #3 at 6:30 pm, all the cheerleaders have made such great improvement in such a short time. I am confident we will form strong competitive squads this season knowing that when August 1st comes around we will be so ready to start learning new routines instead of starting with the basics of tumbling. I am also happy to have many of our returning coaches joining us again for another season, we are always looking for head coaches as well as assistant coaches at all levels for our teams to be successful, so if you or anyone you know may be interested please contact me and I will go over any details, certification and information with you. Looking forward to a great 2017 season.....
