

THE BENSENVILLE WOOD DALE BANDITS FOOTBALL AND CHEER ASSOCIATION

Message from the President....

Bandits Family,

As of this writing we are about two weeks before our year end banquet. Again, this year our kids have performed brilliantly in both cheer, football, and scholastically. Every one of our teams for both cheer and football competed hard throughout the year.

Our Jr. Varsity Cheer Team will be on their way next week to compete for a Pop Warner National Championship at ESPN's Wide World of Sports Complex in Disneyland, Orlando Florida. They will be competing against several different cheer squads from across the United States. Lets all join in wishing them good luck and safe travels in their quest to bring a championship back home.

I would also like to express many thanks and gratitude to anyone and everyone who offered a hand in helping with anything before, during and after our season. It is a huge task to provide this program for the kids. The Bandits are an all volunteer run, non profit program and without the efforts of you, the individual stepping up for the kids, we wouldn't have this cheer and football program to provide to them.

Having been involved with the Bandits for many years and Pop Warner since 2008, I can tell you all that we are a highly respected program both on and off the field. I can't count the numerous times during preseason, regular season and playoff's how often the Bandits, their parents and kids, are complimented as being a pure class program. They all love coming to our field and competing here as much as they enjoy us visiting them. That is a tribute to you the parents and our children.

Speaking of the children, THANK YOU. It is your hard work that makes you successful. Not just on the playing field but in the classroom. You manage to do both extremely well and it shows by your success in both. For the eighth graders moving on to high school next year, good luck and keep up the hard work in what ever paths you choose moving forward. For all the other kids in our program, we look forward to seeing your faces again next year.

Sincerely,

Jason Sabala

Happy
Holidays!

From the cheer corner....

Hello Bandits Families,

I cannot believe it is that time of the year already, we are approaching the end of the Football and Cheer season for 2017. Our cheerleaders are still working hard as we approach the biggest competition yet. Even though our Tiny and Mitey Mite Cheer Teams have completed their cheer season we do miss seeing those cute little faces.

November was a very busy season as we spent countless hours still practicing to perfect our cheer routine for Regionals and both of our Jr Pee Wee and Jr Varsity competed for a chance to go down to Disney to Nationals. Even though our Jr Pee Wee team scored very well through out the season we had some tough competition out there and we did not place 1st or 2nd, but I am very proud as to how far this team made it this season. Going forward I would like to congratulate the Jr Varsity Team as we leave for Disney on December 5th for a chance to compete Nationally on December 9th, stay tuned on ESPN and take a look at the teams as we rock that Cheer floor.

I would like to thank all of my families, coaches, parents and cheerleaders who have stayed positive to make this yet another successful fun cheer season. We have had great support from Bandits families who come out to every fundraiser helping raise funds to defer travel expenses for our Jr Varsity Cheerleaders. We greatly appreciate your help and could not have done it without you.

Our next big event other than National Cheer Competition is the Banquet which is at the Diplomat West on Sunday December 10th. I look forward to seeing each of you there and present the girls with their end of the year awards.

From the Football Corner....

Well not much to say here but it has been a good year. As always we have had our up and downs but we always end on a high note. Congratulations to all teams, you hung in there and persevered. Football is not an easy sport and it takes a lot of integrity and hard work to get through a season. For that I commend each and every one of you. You will have memories from the Bandits for many years to come. I still remember my youth football coaches as they had a tremendous impact on my young life.

Merry Christmas to everyone in the Bandits Family and I hope 2018 brings you joy and prosperity.

Again feel free to call or email me if you need anything
