

JUNE NEWSLETTER

Bensenville Wood Dale Bandits

Message from the President....

Greetings to everyone in our Bandits Family,

It's been a long off season without football and cheer but our season is now just around the corner. Our board has been busy

planning for the season as we've already had two registrations. We are all

excited and looking forward to this year. If you haven't signed up yet, please do so, our final registration will be June 24th. We have many spots open on all football and cheer levels. So please tell your friends and family to get registered as soon as possible. We will waive our late fees until August 1st.

Our registration fees are still the lowest in Pop Warner and we're very proud of this. We're only able to do this to the hard work of the fund-

raising efforts of our board members.

We have plenty of fun and exciting things planned for this year.

Our free cheer and football camp will be held once again at

Fenton High School on July 11th, 12th, & 13th.

On the fundraising side, to keep our program as affordable as possible, we will once again be at Bensenville's *Music in the Park* on July 12th participating in the 50/50 raffle. We also will be participating in the Bensenville 4th of July

Parade. For more details on this please contact Diana Staszal, our Cheer Coordinator.

Stay tuned to our news-

letter and email blasts sent by Board Member, Jessica Diego, for more events throughout the season.

In order to keep families, especially the new ones, in the loop, the Bandits Board will be hosting a parent orientation early in July. More details will be provided as soon as we settle on a date and a location.

I hope everyone has made it through the off season safe and sound and I am waiting to see you all at the parade, orientation or camp soon.

Sincerely,

Jason Sabala

From the Cheer Corner....

Time flies when we are having fun! This year already the cheerleaders and coaches have been very busy and I can't believe we are

already into June planning uniform fittings. We just wrapped up our last week of the Spring

Tumbling Skills Clinics on May 23rd and what a great turn out we had every week. I am thankful for all our wonderful coaches we have on board that took time every week out of their busy schedules during our off season to help out this Spring, all the girls made so much

progress and we are very proud of all of them. I cannot wait to see what the upcoming season will

bring! We have some very talented girls joining our teams this year! Our Summer

Tumbling Skills

Clinics will resume mid June at Fenton High School and all are welcome. Our last Bandits registration is June 24th as well as our uniform fitting.

Held at the Wood Dale Park District from 10am to 2pm. All previously registered and new cheerleaders

MUST BE fitted for a uniform, NO

EXCEPTIONS, so please parents mark your calendars and if you cannot make this date please email me, as soon as possible to make other

accommodations or if you have any other questions.

We are always looking

for ideas, suggestions or skills you may have to share with us to help strengthen the Bandits Youth Sports Organization. As well as I am always looking for coaches, assistants and student coaches as well as team moms. Feel free to contact me for more info at my email below.

From the Football Corner....

The football season is fast approaching and we have some exciting news. With our pad and helmet levels at a solid point now, I am looking to upgrade our tackling dummies as well as purchase some new pads to help develop correct tackling techniques.

As always we will purchase whatever we need to make sure your child is safe and looking as best as possible

especially for the younger players. I hope to increase our "little guys" shoulder pad inventory this year again also. We will add clothe items as needed just to keep our inventory

fresh and the levels up to a good standard.

We are currently looking for coaches at all levels, we are in need of at least two head coaches as of today so please if you are interested in

coaching please get a hold of me ASAP,

We will be having a mandatory coaches meeting sometime in June at DiOrio Field for all coaches. If you are new and interested in coaching please feel free to attend this meeting or if you are unable to attend

contact me directly.

Our free camp is also just around the corner July 11th – 13th at

Fenton High School

from 6:00 – 8:00 pm. This is a good opportunity to meet the coaches and learn a little about our football program.

If you are still not registered or know

anyone that is interested in registering and cannot make our June

registration feel free to contact me and I will

personally meet with you to get you all registered. Please feel free to contact me regarding any questions or concerns that you may have for the upcoming season.

Thanks Again,

Jason Sabala

From the Business Coordinator....

The company we use for spirit wear, Sport decals, has been sold back to original founders of the company. The mini site (website) will be down for a couple of weeks until the financial transition is complete. Sport decals will continue providing our spirit wear and we will keep all our families up to speed when the site goes

back online. We are really excited for this upcoming year and are beginning preparations on the concession stand. We are working to have it primed and ready to go on opening day. We are still open to any fund-raising idea, so please don't hesitate to share your idea's. For you business owners out

there that would like to support the Bandits with donations we offer different level of business packages, you can email me at astewart0275@yahoo.com for more information including our 501 c 3 info.

Thank you,

Aaron Stewart
