Message from the President....

Greetings to everyone in our Bandits family. The board continues to come up with ideas for fundraising and our Business chair persons Christy Flint & Keonna Caine have a few tricks up their sleeve.

Remember we only do these "extra" fundraisers to help keep costs down, so please try to contribute whenever you can.

We are currently in somewhat of the "slow part" of the season. I have met with the Chicagoland board and am happy to say that they are "Happy the Bandits are part of Pop Warner". Not much new from the league aspect,

except there will be some new additions to the conference. Especially out west. The conference is always trying to tinker with the rules to make them beneficial for everyone.

The board does want to have an organization wide parent meeting that they are planning for sometime in early July to answer all questions and meet board members, coaches, & team moms. More information will come in the next few months on this.

We are looking into having registration on-

line and I am currently working to get this set-up for us and as soon as it is up and running we will let everyone know. We will take registrations at anytime even if it is not a formal date for it, so please contact one of the board members and they will be happy to help you out.

Please feel free to contact me with any concerns you might have.

Thank-you

Jason Sabala

From the Cheer Corner....

Hello Bandit families and cheerleaders! With the cheer and football season approaching soon, the coaches and myself are slowly getting everything into place for the upcoming Cheer season.

Our last registration is coming up quickly June 24th, it will be at the Wood Dale Park District from 10am to 2pm, if you have not registered yet this is the time to do so. A benefit to registering early, each registered cheerleader can

participate in our free tumbling skills clinic. All are welcome, however if we do not have your completed registration paperwork, starting in April there will be a \$5 drop in fee for that participant, please note this fee can be applied to your registration dues once we receive your completed registration paperwork. This is a GREAT opportunity to perfect our cheer squads, so please check it out when you can. We meet every Tuesday from 6:30pm to 8:30pm at Fenton High School, feel free to contact

me with questions.

I am already working on ordering uniforms and warm-ups and the coaches are already putting great routines into place. We had our first Regional meeting in March, so I have had a lot of information to share with the coaches. I am confident that we will have another successful season of great friends, fun, football games and competitions and hopefully take these teams to Nationals to bring back yet another trophy for this 2017 season! Go Bandits!!!

opportunity to
perfect our
cheer squads”*

From the Football Corner....

With our tackle football and cheerleading seasons fast approaching, we are now focusing on possibly offering a 7 on 7 season in June, sponsored by Pop Warner. More information will be provided in upcoming editions of our newsletter, email blasts and on the Bandits website, BWFCA.com. If you are interested in this please email me directly. We are currently offering a free football conditioning clinic. This is open to anyone who is interested in football or just wants to get into shape for the upcoming season. It will be held on

Tuesdays and Thursdays from 6:15 to 7:30 and will be held behind Tioga school in the grass field. If you have questions regarding this clinic please contact Coach Brooks at tyrone.brooks@ymail.com. Remember any and all kids are welcome, and the best way to get more kids involved is by our Bandits families who have already registered to tell their friends and family what a great experience youth football and cheer is and to join the Bandits family.

Please feel free to contact me with any concerns you might have.

Thank-you

“Tell friends and family what a great experience youth football and cheer is”

From the Business Coordinator....

The 2017 season is right around the corner and we have good things in motion. This year our spirit wear is available on line and is up and running so go check it out.
www.bensenvillewooddalebandits.myspiritwearshop.com.
We have acquired some new additions for our concessions this season that will make the menu more

fun for the kids. Fundraising is a very important tool for our organization to generate money, the proceeds provide our kids with the safest equipment out there as well as getting our teams to post season destination they qualify to participate in. If anyone has any thought or ideas related to fundraising please feel free to bring them to our

attention via email or our Facebook page.

Thank you,
Aaron Stewart
