

THE BENSENVILLE WOOD DALE BANDITS FOOTBALL AND CHEER ASSOCIATION

Message from the President....

Dear Bandit Family,

We are just about a month away from the start of our 2018 season. We have many upcoming events, so please don't forget to check your emails with all the new information.

Things are moving along but we are in a state of unpredictability and that is saying with youth Football & Cheer organizations in general. Last year found us in a bit of transition, numbers being down and players being moved between teams, but we made it through a successful season. We have fought hard to create teams to compete at every level. We, the Bandits have to stick together, we cannot let one year make the destiny of the Bandits. I personally have higher expectations for this upcoming football season and I will do everything in my power to provide the best experience for everyone.

On the cheer side our numbers are continuously growing, the cheer coordinator and the coaches are doing a great job recruiting and providing the extra skills needed to achieve our new goals. The skills clinic was a success through the off season. This year the cheerleaders will be competing at a higher level which means bigger goals, harder work and much more dedication. I believe we have the ability to make this happen!

The past is the past, and going forward we need to look into the future of our young athlete's in our communities and as an organization do the best that we can to make us grow and succeed!

Feel free to contact me anytime fbccoach1969@gmail.com.

Sincerely,

Jason Sabala

BWFCA President

From the cheer corner....

Hello Bandits Family,

Let the fun begin in July with the Bandits and this 2018 Cheer & Football season. We are just a short month away from the start of the season, and most importantly, please make sure your physicals are done by the first day of practice which is August 2nd at DiOrio Field 6pm to 8pm, we will also be looking for last report cards the kids received for this past school year. Without a completed 2018 physical we will not be able to have the cheerleaders out on the field practicing, this year there are no exceptions even if your insurance will not cover it because it has not been a complete year from the last physical, you will be required to go to a CVS, minute clinic or any other doctor to fill out a 2018 physical.

A parent orientation date is in the plan so please watch your emails and Facebook posts for this important date. We provide a lot of information pertaining to the start of the season up until the end of the season.

All families are invited to attend and you will be able to meet the entire board of the Bandits Organization. Date, time and location will be announced soon.

Thank you to those who came and celebrated and walked the 4th of July Liberty Fest Parade this year, it was so HOT but we did it and made it to the end, thank you to those who helped out and brought candy to distribute.

Also FREE 3 day Football and Cheer camp was held in the field house of Fenton JULY 9th, 10th and 11th , each camper got a T-shirt for participating in the camp. Campers also go to meet the coaches and do some basic stunts and learn a cheer that we performed on the last day. Everyone had a blast.

I am always looking for team moms to help our coaches during practices, games, fundraising, team bonding any way you can help is always appreciated, please let me know if you are interested.

Thanks

From the Football Corner....

Hello Bandits Family,

Going into July, brings us just a month away from the start of our football season. Things are moving along as my budget was approved by the board, so I am looking into different vendors to provide better field equipment for the coaches and players.

Our 3 day free camp that was held July 9th, 10th and 11th at Fenton was a success. We saw many new kids for their first time and many of our returning kids. Everyone had a blast and learned something new at the same time.

Information regarding football equipment pickup will be coming soon. It will be held at Veterans Park in Bensenville, don't forget an equipment deposit is required and will be returned at the end of the season upon equipment return.

If you have any questions or concerns please contact me at
fbcoach1969@gmail.com

Thanks Again,

Jason Sabala

From the Business Coordinator....

Football is within arms reach and we are continuing to reach out and find new ideas for fundraising. The Elk Grove Village Buffalo Wild Wings is still working with us thru October 31st, all you have to do is tell your server to write TEAM B on your receipt. We have had some awesome fundraisers like music in the park and selling beverages at the July 4th celebration at Redmond. The Bandits will be organizing some tag day in Bensenville and Wood Dale along with some fun car washes. Spirit wear is coming soon, this year we will be offering hoodies and baseball caps.

2. Show your card, on a mobile device or via printed copy, to your server and let them know you are part of the Home Team Advantage Program.
